[Illustration 2] Gunboats Entering Savannah River Above Fort Pulaski.

While the Pembina, Unadilla, and other vessels, were making a reconnoissance to ascertain the position at Savannah, the gun-boats of Tatnals fleet, came down and a brisk cannonading was commenced, between our boats and those of the enemy, but in a short time the gun-boats of Tatnal ran away. On account of the low tide our boats were prevented from pursuing.

John Jim I see you have taken up the barbers business as you carry a pair of poles with you

Jim Preilly [i.e., Pretty] good, and let me ask you if you are agoing to cart gravel, I see you have got the side boards up.
