THIS Part V of the list of Loyalist source material in repositories in the United States consists entirely of a consolidated index to the first four parts which have appeared in these *Proceedings* over the last five years. The contents of the parts are as follows:

Part I (northeastern states, from Maine through Maryland)—

*Proceedings* 85(1975):73-308

Part II (District of Columbia)—*ibid.*, 85(1975):405-60

Part III (southeastern states, from Virginia through Florida)

—*ibid.*, 86(1976):343-90

Part IV (balance of United States except Alaska and Hawaii)

—*ibid.*, 90(1980):101-62

A consolidated edition, containing the four installments

above, the three Loyalist finding aids published earlier in the *Proceedings*,\* and a previously unpublished guide to Loyalist source material in the Public Record Office in London, is scheduled for Mid-1981 publication by Meckler Publishing, 520 Riverside Avenue, Westport, Connecticut 06880 under the title *Bibliography of Loyalist Source Material in the United States, Canada, and Great Britain*, edited by Greg Palmer.
