STATEMENT BY THE TREASURER

The total book value of all the assets of this Society (excluding cash deposits in banks, real estate values, values of all personal property and the historical collections) is \$1,171,341. The total market value of all our securities as above stated as of September 30 of this year (the end of our fiscal year) is \$2,205,965. This shows an excess of total market values over total book values of \$1,034,624. The excess of market value over book is a very satisfactory excess in a relatively small endowment fund such as ours.

The rate of income return from all our securities this year based on the total book value was 7.42%. However, the rate of income return on the securities based on the total market value was 3.94%.

Based on the book values of our investment portfolio 50.49% is invested in fixed income securities, bonds and preferred stocks; and 49.51% in common stocks or equities. Based on total market values 74.74% is invested in equities, and 25.26% in fixed income securities.

The book value of the Society's real estate has been marked down from \$450,585 to \$441,573. This is a depreciation charge of 2% or \$9,012.

It is pleasing to note that the number of annual contributors has increased from fifty to eighty-five during the past year.

BRADLEY B. GILMAN, *Auditors*

MR. CHANDLER BULLOCK, *Treasurer*
 AMERICAN ANTIQUARIAN SOCIETY
 WORCESTER, MASSACHUSETTS

DEAR SIR:

In accordance with your instructions, we have examined the books and accounts of the American Antiquarian Society as at and for the year ended September 30, 1960.

Our work embraced a detailed check of the transactions of the year, a review and analysis of the accounts relative to the cash receipts and disbursements and to the purchase and sale of securities.

As a result of our examination, we have prepared the following financial statements which are appended hereto:

Balance Sheet as at September 30, 1960		EXHIBIT "A"
Statement of Fund Accounts as at September 30, 1960	SCHEDULE "A-1"	
Statement of Cash Receipts and Disbursements for the year ended September 30, 1960		"B"

In connection with our examination and the preparation of the foregoing financial statements, we confirmed the bank balances by certificates received from the depositories which we reconciled with the books of account. All cash shown to have been received has been accounted for and we have examined vouchers and/or cancelled checks in support of all disbursements.

The purchases and sales of securities were supported by brokers' advices which we examined. The securities on hand at the year end were confirmed to us by a statement from the Trust Department of the Worcester County National Bank, and are stated on the accompanying Balance Sheet at book values.

Yours truly,
 HARRY W. WALLIS & CO.
Accountants and Auditors
