STATEMENT ON MARKET VALUE OF INVESTMENTS

The total market value of all the Society's securities on September 30, 1947 (the end of our fiscal year), was \$94,045 over and above the total book value of the same. All of our now held securities stand on our books at the original acquisition cost, except two items which were marked down some years ago.

The total income during the fiscal year from our investment portfolio was \$38,185.11 which is 4.67% of the total book value. There were certain extra dividends paid on some of our common stocks which we expect will not be paid during the coming year. Common stocks comprise 43% of the total book value of the Society's holdings.

The undersigned, Auditors of the American Antiquarian Society, report that the books and accounts of the Treasurer of the Society for the year ending September 30, 1947, and the securities listed in the foregoing Report have been examined and verified by Harry W. Wallis & Co., Certified Public Accountants, as appears by their certificate submitted herewith.

(Signed) DANIEL W. LINCOLN

September 30, 1947

REGINALD WASHBURN, *Auditors*

October 8, 1947

MR. CHANDLER BULLOCK, *Treasurer*
AMERICAN ANTIQUARIAN SOCIETY
WORCESTER, MASSACHUSETTS

DEAR SIR:

In accordance with your instructions, we have examined the books and accounts of the American Antiquarian Society as at and for the year ended September 30, 1947.

Our work embraced a detail check of the transactions of the year, a review and analysis of the accounts relating to the cash receipts and disbursements and to the purchase and sale of securities.

As a result of our examination, we have prepared the financial statements enumerated hereunder:

Balance Sheet as at September 30, 1947	EXHIBIT "A"
Funds as at September 30, 1947	SCHEDULE "A-1"
Statement of Cash Receipts and Disbursements, for the Year ended September 30, 1947	"B"

In connection with our examination and the preparation of the foregoing financial statements we confirmed the bank balance by certificate received from the several depositories which we reconciled with the books of account. All cash shown to have been received has been accounted for and we have examined vouchers and/or cancelled checks in support of all disbursements.

The purchases and sales of securities were supported by brokers' advices which we examined. The income from securities which should have been received during the period under review has been properly accounted for. The securities which were on hand at the year end were examined by us and are stated in the accompanying schedules at book values.

Yours truly,

HARRY W. WALLIS & Co.

By Harry W. Wallis

Certified Public Accountant
