#### STATEMENT CONCERNING OUR ASSETS

The fine new addition to our building has now been completed and paid for. Some work is needed on the grounds—such as a retaining wall. Our physical plant is now adequate to meet the needs of the Society for some years to come.

The total book value of our portfolio of securities as of September 30, 1951 (the end of our fiscal year) was \$802,058. All the securities stand on our books at their original acquisition cost. Their total market value as of this September 30 was \$1,071,883 (these quotations being taken at bid price on September 30, or at the last sale price when no bid was ascertained).

Thus, on that day the total market value of all our securities was \$269,825 in excess of the total book value. This excess in mere dollar prices is perhaps not unusual in this inflationary period. It was all in our common stock holdings.

The income return on the total book value was 6.16%; and on market was 4.61%.

Our Society holds, as do most trust and endowment funds—a substantial percentage of common stocks, and many extra dividends on the same were paid during the last fiscal year. Since then, because of the international situation and other causes, the regular corporate federal income taxes have been increased and a retroactive excess profit tax has been enacted. Therefore, we must expect in all probability the income received during the coming fiscal year will be considerably less than was received during this last fiscal year.

Mr. Chandler Bullock, *Treasurer*American Antiquarian Society
Worcester, Massachusetts

#### DEAR SIR:

In accordance with your instructions, we have examined the books and accounts of the American Antiquarian Society as at and for the year ended September 30, 1951.

Our work embraced a detailed check of the transactions of the year, a review and analysis of the accounts relating to the cash receipts and disbursements and to the purchase and sale of securities.

As a result of our examination, we have prepared the Financial Statements enumerated hereunder:

Balance Sheet as at September 30, 1951		Ехнівіт "А"
Statement of Fund Accounts as at	Schedule	
September 30, 1951	"A-ı"	
Statement of Cash Receipts and Disbur	sements	
for the year ended September 30, 195	I	"B"

In connection with our examination and the preparation of the foregoing Financial Statements, we confirmed the bank balances by certificates received from the several depositories, which we reconciled with the books of account. All cash shown to have been received has been accounted for and we have examined vouchers and/or canceled checks in support of all disbursements.

The purchases and sales of securities were supported by brokers' advices which we examined. The income which should have been received from securities during the period under review has been properly accounted for. The securities which were on hand at the year end were examined by us. The securities are stated in the accompanying schedules at book values.

Yours truly,

HARRY W. WALLIS & Co.
