## STATEMENT ON MARKET VALUE OF INVESTMENTS

Notwithstanding the general drop in market prices, occurring this August and September, in some bonds and particularly in stocks, the total actual market value on September 30, 1946 (the end of our fiscal year), of all our then held bonds and stocks was \$134,247 over and above the total book value of the same. All of our now held securities stand on our books at the original acquisition cost, except four which were marked down some during the depression of the 1930's.

The total income during the fiscal year from our investment portfolio was \$37,367.72, which is 4.61% of the total book value. What may happen to market prices in the future is, of course, unpredictable because of various economic and political uncertainties.

MR. CHANDLER BULLOCK, *Treasurer*  
AMERICAN ANTIQUARIAN SOCIETY  
WORCESTER, MASSACHUSETTS

DEAR SIR:

In accordance with your instructions, we have examined the books and accounts of the American Antiquarian Society for the year ended September 30, 1946.

Our work embraced a detailed check of the transactions of the year, a review and analysis of the accounts relating to the cash receipts and disbursements and to the purchase and sale of the Society's securities.

As a result of our examination, we have prepared the following financial statements:

Balance Sheet as at September 30, 1946

EXHIBIT  
"A"

Funds as at September 30, 1946

SCHEDULE  
"A-1"

Statement of Cash Receipts and Disbursements,  
for the Year ended September 30, 1946

"B"

In connection with our examination and the preparation of the foregoing, we confirmed the bank balance by certificates received from the several depositories which were reconciled with the books of account. All cash shown to have been received has been accounted for and we have examined vouchers and/or cancelled checks in support of all disbursements.

The purchases and sales of securities were supported by brokers' advices which we examined, and all of the income from securities which should have been received during the period under review has been properly accounted for. The securities which were on hand at the year end were examined by us and are stated in the accompanying schedule at book values.

Yours truly,

HARRY W. WALLIS,  
*Certified Public Accountant*
